

School Uniform Policy 2025

School uniform is to be worn for a number of reasons

- First impressions are lasting – our uniform promotes a sophisticated and positive image of our students and school in keeping with being an international school.
- Uniform helps to foster a sense of school identity and pride.
- There is a strong support from our community to have a smart school uniform which is comfortable and practical for casual and formal purposes.
- For safety reasons it is important that BPIHS students can be easily identified in a number of situations (e.g., excursions, school yard).
- A positive image of our school enhances student employment opportunities.
